WORD GAME

TENNISMAN One player thinks of a tennis word the others try to guess what it is one letter at a time. The word player draws dashes equivalent to the number of letters. If a guessing player guesses the correct letter the word player fills in the blank dash. If the word does not contain the suggested letter, the other player draws one element of a tennis man. If the guessing players find the word before the picture is complete, they win. They have eight wrong guesses before the picture is complete.

Drawing order for Tennisman
